

NY Counts 2020 Census Week of Action- The Final Count-up!

How to Get Out the Count as a Union

The 2020 Census is coming to an end soon and we need YOU to help us get out the count! We want ALL New Yorkers counted. Let's take these efforts statewide. Let's have every corner of NYS blanketed with a range of final get out the count activities. These ten days of action will encourage every resident of the Empire State to self-respond and bridge that 3.5% gap between NY's self-response rate and the national self-response rate.

We have until the end of this month to get our community counted! We must make sure New York receives the funding and political representation it deserves for the next TEN years! See below easy-lift ideas you can take to help us secure a fair count in the next 10 days.
